

THE ROTHSCHILD REVIEW

2nd Quarter 2019

Stock and bond markets in the U.S. continued the trends set in the first quarter of the year, with the Standard & Poor's 500 Index increasing in price while the benchmark 10-year Treasury bond yield continuing to decline.

Index Returns including Dividends and Interest through 6-30-19

	Past Quarter	Past Year	Past Five Years (Annualized)
S&P 500 Index	4.30%	10.41%	10.71%
